## **Scholarship:**

1. Chinese Government Scholarship (college and university postgraduate program, supporting local government program and China-America cultural and educational communication program)

It is a full scholarship established by MOE aiming to supporting high-level universities in China to recruit master and doctoral students from foreign countries independently.

Applicants may make application to department, organization and schools responsible for sending students studying abroad or Chinese Embassy in your country, and send login in the China's University and College Admission System (<http://laihua.csc.edu.cn>) of China Scholarship Council to make online application. Print Application Form for Chinese Government Scholarship in two copies and submit them with other recommendation materials.

China University of Geosciences (Wuhan) code 10491

Date: **March to April**

Address: Admission office, No. 1007, Dongyuan, China University of Geosciences

2. Chinese Government Scholarship ((scholarship quota specified according to inter-governmental agreements)

It is established by MOE in accordance with educational cooperation and exchange agreements or MOUs signed between Chinese government and governments of other countries, organizations, education institutions and relevant international organizations to provide full scholarships or partial scholarships

Applicants must have gained postgraduate admission qualification by CUG in 2014. The scholarship is only applicable for distinguished foreign students studying in China. There are only a few chances!

3. Confucius Institute Scholarship

It is set up by Confucius Institute Headquarters/Hanban to provide financial aid for international students to proceed to a Master's degree in Teaching Chinese to Speakers of other Languages (MTCSOL) in Chinese Universities.

Applicants should apply to Confucius Institute Headquarters (<http://cis.chinese.cn/>) for the scholarship through Confucius Institutes (independently set-up Confucius Classrooms), overseas Chinese test centers, educational and cultural offices (sections) of Chinese Embassies (consulates).

4. Hubei Provincial International Student Scholarship

It is established by Hubei Provincial Government, with the goal of encouraging more international students to study or to do scientific research in Hubei provincial higher educational institutes.

Applicants must have gained postgraduate admission qualification by CUG in 2014. The scholarship is only applicable for distinguished foreign students studying in China. There are only a few chances!

### **Medical insurance**

As stipulated by MOE, all international students must be medically insured throughout their entire planned period of study. Students are required to purchase the Comprehensive Insurance Plan of Foreign Students provided by Ping An insurance company on the day of registration, which has been recognized and recommended by the Chinese Ministry of Education. Students who do not have valid medical insurance are not allowed to register.

### **Accommodation Information**

China University of Geosciences (Wuhan) allocates apartment of different specification and conditions to international students. There are three room types for choice: single room (with independent toilet), double room (share one toilet) and three-occupant apartment (3 single rooms and a toilet). There are TV, telephone, air conditioner, water heater, network jack and other furniture equipped in the room.

The university only arranges a limited number of apartment rooms for overseas student. The students who do not have Chinese Government Scholarship and fail to reserve the apartment need to arrange your accommodation by yourself.

### **Teaching and living quality:**

The university provides foreign students with high teaching and living quality. Foreign students can use special classroom and audio visual teaching equipment as well as dormitory with complete facility. All levels of restaurant and mess are offered for your choice. Moreover, there are football field, basketball court, volleyball court, tennis court and other activity places in the campus. And all kinds of stores distributed in the campus are enough to meet students' daily living needs.
